- **Resource Guide for Supporting Undocumented Youth - The U.S. Department of Education has compiled this resource guide to assist and enhance state and local efforts to support undocumented youth at the secondary and postsecondary school levels.**

CU DENVER–

We have some exciting news. CU Denver is now a partner college with [THEDREAM.US](https://www.thedream.us). Undocumented/DACA students who are awarded the [THEDREAM.US](https://www.thedream.us) scholarship can use up to \$33,000 of the scholarship towards a bachelor's degree at CU Denver. In-coming Freshmen/First-Time and transfer students from community colleges are eligible to use the scholarship at CU Denver.

Estéfani Peña Figueroa (copied) is our new Undocumented Student Resource Coordinator, and she can be reached if you have any questions about the scholarship and how it is applied at CU Denver for students who receive the scholarship. Also, Estéfani is a great resource for any questions that you, your students/parents, have regarding support and resources that we have for our Undocumented/DACA/CO ASSET students.

Estéfani – Please feel free to add or clarify anything.

The following is some more information as well as some sites for our application and visit opportunities.
